Information about the program and FAQs:

Otsuka Canada Pharmaceutical Inc. and Lundbeck Canada Inc. are pleased to offer a financial support for patients prescribed ABILIFY MAINTENA (aripiprazole for prolonged release injectable suspension).

The multi-use program will automatically cover a portion of the prescription cost*, up to a maximum of \$3,000 per year. The Certificate numbers above can be used for all ABILIFY MAINTENA patients. No cards are required. Limit of one Certificate per patient.

*Based on reasonable mark-up and customary pharmacy fee.

Use the single certificate number above for all patients. If you have any questions regarding claims processing, please call the ClaimSecure HelpDesk at [1-800-461-6579](tel:1-800-461-6579).

Patient billing information and processing the ABILIFY MAINTENA program information

The payment for the claims should be processed through ClaimSecure in the following manner:

- Select ClaimSecure as the “Third Party Payer”
- Enter the Certificate number (10 digits) as it appears above, then enter Group number 37384
- Select Cardholder as the Relationship Code
- No expiry date required

If your patient has an electronic drug plan (either public or private), please enter program information as the **SECONDARY** plan. Send the claim to your patient’s regular drug plan first and then co-ordinate the claim with ClaimSecure for a portion of the difference.

If your patient does not have drug coverage or a pay direct plan, please contact the **PANORAMA®** Patient Support Program at [1-844-788-8041](tel:1-844-788-8041).

Coverage may vary based on patient plan. Limit one program certificate per patient. Multiple cards/certificates CANNOT be combined for the same DIN. Program valid only in Canada. Program may change or expire at any time without notice.
